

## April 13, 2026, through June 1, 2026, road closure Temporary bus drop-off and pickup instructions.

The City of Denton has temporarily closed Mulberry Street from Avenue C to Avenue D as well as Avenue D from Sycamore to Hickory. This will significantly impact our normal bus drop-off and pick-up procedure. Our normal drop-off procedure has the buses pull into FS lot 11 from Mulberry Street, unload and then proceed out of the lot onto West Hickory Street to find appropriate parking. This will no longer be an option during the road closure.

As a temporary solution, we will ask that all buses unload and load at the bus stop opposite **1700 West Hickory Street**. Hickory is a two-lane one-way street with traffic flowing eastbound. Buses should be in the right / south lane so that they can pull to the curb before the Avenue C intersection on the south side of the road.

**Figure 1 Drop Off**

For pick-up buses can stage further back along West Hickory Street west of the greenhouse. When the school groups gather at the bus stop, we will have the buses pull forward for loading.

**Figure 2 Staging Area**

ADA compliant buses will be asked to pull into FS Lot 11 from West Hickory Street to unload. There is room in the lot to safely turn a single bus around to exit back onto West Hickory but having multiple buses in the lot would create a bottleneck that would require backing out into the road.

To minimize confusion while navigating to campus we recommend you use **1900 West Hickory Street, Denton 76201** (this is a residence across the street from our facility, not the location of the field trip) for driving directions on any navigation app. These directions should avoid temporary road closures. Regardless of your starting point, the final leg of your journey should include turning east at the intersection of North Texas Blvd and West Hickory Street. Our facility, the UNT Environmental Science Building and FS Lot 11 are one block east of that intersection.

Chaperones can still access visitor vehicle parking in FS lot 11 from West Hickory Street but will not be able to access the lot from Mulberry Street.

We will have staff waiting for your arrival along West Hickory Street. If you are lost or significantly delayed, please call our office at **940-369-8213** or email [skytheater@unt.edu](mailto:skytheater@unt.edu).
